Certified Angus Beef® Brand

Certified Angus Beef® was established in 1978 by a group of ranchers as a way to consistently receive a tender and juicy steak. To do this, they developed a brand which only selects the top tiers of USDA-graded cattle, which must be Angus-influenced. Then, the cattle must pass ten quality standards, including medium to fine marbling, to ensure an outstanding flavor, unparalleled tenderness, and natural juiciness. Only three in ten Angus cattle meet the brand's stringent standards.
