## Rich in Flavor

Certified Angus Beef® bone-in beef short ribs are cut parallel to the bone, leaving a thick cut of meat on one side of it. After a long, slow braise they tend to retain their shape, making for a beautiful presentation, as well as a soft, flavorful cut of meat. This may take a few hour over low heat, but trust us – it's worth the wait!

## SUPERIOR SEAFOOD

### Fresh, Farm Raised from Chile Patagonian Salmon

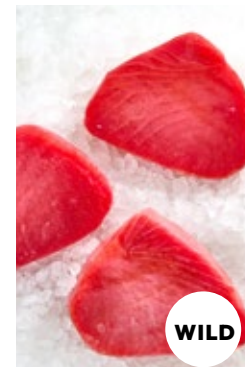

Verlasso stands out for its commitment to sustainability and animal welfare. It is the first salmon brand to achieve carbon-neutral production. Verlasso holds renowned certifications such as ASC and BAP, ensuring that its salmon meets the highest standards of environmental and social responsibility.

Verlasso salmon are grown in Patagonia, a place where two of the coldest currents in the world converge, close to Antarctica and far from cities, towns, and pollution generators. The deep waters of their farms provide the perfect environment for the fish to thrive in space, while strong currents provide an abundant supply of clean, mineral rich water. This allows the salmon to stay active, strong and healthy.
